## The Ministry of the Assembly?

*By Kathleen DeJardin*

I would imagine that, if questioned, the majority of parishioners would offer that they are not serving as a special 'minister' when they attend Sunday Mass. They attend Mass for a variety of reasons: because it's what they do on Sunday, or because they want/need to pray, or because it is an obligation, or it is expected or it is where they meet friends and family. All of those reasons and more, but not that they attend Mass because they have a ministry to fulfill every week and that their participation is actually needed.

The answer to this question begins with our Baptism. By virtue of baptism we received our identity as Christians; as priest, prophet and King, as beloved daughters and sons of God and as members of the Body of Christ. We became and continue to be the Church made visible to each other and to the world. It is our identity as the Body of Christ that we acknowledge, affirm and strengthen every time we attend Mass.

That is our ministry-the Ministry of the Assembly. The ministry of the assembly is to participate actively, consciously and fully. I know that I, and my family, have always been regular Mass attendees, even when I and my siblings were quite young. My father was an usher and even served as the usher coordinator for years. I remember the many phone calls he made ensuring every Mass was covered. My brothers were altar servers (I was quite envious!!) and I sang in the parish choir for years, eventually accompanying Masses. We participated actively and fully, but I was not conscious of my identity as both Body of Christ and as a minister of the assembly.

When we gather as assembly we call to mind and live out our identity as the Body of Christ. We stand, sit, kneel, listen, sing, pray, give and receive, process, interact with others and encounter God. We bring our joys and challenges to worship and offer them up to God in the silence before the Collect. But we aren't merely going through the motions. As a member of the assembly we surrender to God's transforming action and we let go of our individuality-our personal likes, dislikes, needs and desires-and we surrender ourselves to be the Body of Christ at Mass. That is something very challenging for many, since we cherish our individuality. But, our ministry is part of a communal event-we are ministering to each other; our ministry involves building up the Body of Christ.

We attend Mass and hear the Word of God proclaimed and receive our gospel mission, and then process to receive the Body of Christ to strengthen ourselves to receive the dismissal. This dismissal is an invitation to take our ministry of the assembly into our daily living and continue being the Body of Christ for those we encounter in our lives.

Ministry...flows out of baptism and membership in the church community. But it involves something more than Christian life. It involves taking up the mission of Jesus. It involves doing something to advance the kingdom of

## LIVING OUR MISSION: Trinity is going Green by HT Green Team

Guided and informed by Pope Francis' vision as articulated in Laudato Si'; Caring for Our Common Home (in which our Pope urges people and churches to reduce dependency on fossil fuels by using renewable sources such as solar and wind to help save the planet) Holy Trinity began a process of discernment. Beginning in 2019, we began looking at the feasibility of launching a solar project for the Holy Trinity campus. This summer the solar panels will be installed, and we will begin producing solar powered electricity for our parish. Once operational the project will produce 99,000 kWh of electricity per year (about 10% of the parish's yearly electricity usage) – the equivalent of driving a car 176,325 miles.

Because of our location in DC, the most favorable place in the county to install solar, Trinity will save \$12,373 per year in energy costs and realize income of \$39,500 from Solar Renewable Energy Credits (SRECs) allowing us to recoup our investment in just 3.75 years.

Over the next 20 years Trinity will realize a net savings of \$800,000 to \$1,000,000 – a WIN for the environment and an added revenue stream as well. As Holy Trinity will be the first Church in the Archdiocese of Washington to go solar, we will lead the way for many other parishes to go solar as well.

While a substantial portion of the cost of the project has been raised (private donors, HT Green Team members and the Class of 2021) all parishioners will soon have an opportunity to invest in saving the environment, Our Common Home – Mother Earth, for our children and grandchildren. Beginning this month, you will receive an invitation from Father Kevin and our development staff to help the HT Green Team raise the remaining \$100,000 to support Holy Trinity's efforts to go green.

During his 2015 visit to the United States, Pope Francis said, "Climate change is a problem which can no longer be left to a future generation. When it comes to the care of our 'common home', we are living at a critical moment of history." Please respond to this invitation to be part of the solution.

For more information about the solar project, please contact John Hisle at [htgreenteam@trinity.org](mailto:htgreenteam@trinity.org) and to learn more about funding opportunities, please contact Rock Schuler at [rschuler@trinity.org](mailto:rschuler@trinity.org).

## The Ministry of the Assembly? *continued from page 1*

God. Christian ministry is any activity, done on behalf of the church community, that proclaims, celebrates, and serves the reign of God. Ministry is not restricted to the activities of the ordained; nor is it equivalent to every good deed done by a Christian. Ministry involves a mission. It entails a relationship and a responsibility to the church community. It aims at the same goal that was the purpose of Jesus' life: to recognize and welcome the special presence of God in our midst. (Source: Edward P. Hahnenberg, *Theology for Ministry*.)

So, I challenge you to embrace your ministry! Each of us is a Minister of the Assembly-participate fully, actively and consciously as the Body of Christ as we live the transformation we experience during Mass.✠

## Migrant Team Update

The HT Migrant Team currently accompanies 11 families/individuals from 7 countries. We remain grateful for the prayers and support of this community, and we are excited to share some good news! Last month, Hadia, a young woman from Afghanistan was granted asylum. Thanks to the generosity of a parishioner, Julien Patrick will be the owner of a car this month (this makes four car donations in less than 18 months!)- he now joins Mario, Etienne, and Enrique as a DMV driver. Enrique is now working full-time at our partner, Hope and a Home, as their maintenance manager. Bernadette is working part-time at Holy Trinity assisting RE, Social Justice and finance. She continues to look for full-time work in Maryland.

The HT Migrant Team meets bi-weekly. If you are called to this ministry, please email [htmigrantteam@trinity.org](mailto:htmigrantteam@trinity.org)

*I also strongly believe that we have the power & we can lead the change & we can be the change in this unfair world with many crises including the human crisis in my country Afghanistan. I believe in God and his plans about our lives & our future. I never underestimate the power of our human network. I'm writing this email to thank y'all for your kind words, support, nice wishes & standing up for humanity. I'm hoping for a day where no girls should be out of school around the world, no homelessness, no refugees and no WAR. I'm so grateful to have y'all in my life!*

*Thank you so much again!  
Hadia*

*What can't you do for us? Of course, we'll never know because you are always prompt to support us in whatever way. I was so flattered to see you at the protest today. Your humanity has challenged me. The sons and daughters of Cameroon will remember you for fighting for them. I'll keep you and your families in my prayers.*

*In Joy,  
Julien Patrick*

## 2022 Tithe Grants Deadline for Submission is March 4

The large and small grant RFPs have been posted to our website. Each year the social justice ministry of Holy Trinity Catholic Church awards grants to organizations that address root causes of social justice issues both locally and within the global community. We have a "large grant" category with the goal of providing funds large enough to have a significant social justice impact. Each year the committee in conjunction with the pastor discerns the most pressing social justice issue(s) of the moment and develops a request for proposals to fund organizations seeking to address the root causes of the issue(s) in question. The focus in 2022 is early childhood development. Please pass the invitation on to partners or organizations you work with that may be candidates for either grant. Additional grants are available to organizations focused on care for our common home, youth, food insecurity, affordable housing, returning citizens and immigration. For more information, email [aklick@trinity.org](mailto:aklick@trinity.org)

## Stewardship Update:

You may have heard – or maybe you are hearing for the first time – that Solar Power is coming to Holy Trinity! This summer, we will be installing solar panels on the roofs of our school buildings. This is in direct support of Pope Francis's environmental encyclical *Laudato Si* and the Jesuit's Universal Apostolic Preference of Caring for our Common Home. Solar energy will help us greatly reduce our carbon footprint while offering significant long term financial benefits. Recently, Fr. Gillespie sent a letter asking for donations to help make this project possible. We have already raised over \$150,000 – well above half of what is needed! Please offer your gift by clicking the Donate button in the banner at the top of our website at [trinity.org](http://trinity.org), by using this donate form, or by texting SOLAR to 202-991-4483. Thank you!
