HTS CELEBRATES 2023 CATHOLIC SCHOOLS WEEK

by Principal Kevin McShane, Holy Trinity School

Today marks the beginning of Catholic Schools Week. At Holy Trinity School, we mark the week by celebrating the many people who add so much to our school and the parish generally. If you are sitting at 9:00 AM Mass right now, you are undoubtedly surrounded by kids in navy blue shirts! We celebrate something different each day this week:

- **Community Service:** with an assembly from Fr. Bill O'Neill and his work with Jesuit Refugee Service and student service projects.

- **Teachers:** when students are invited to dress as one of their teachers.
- **Students:** when we will also be celebrating House Arrupe Day.

Some of you might remember that in the 1990s, Catholic Schools used the marketing phrase, "The Good News in Education." I believe that mantra is apt today and that HTS is a great example of it. By any measure, the school is thriving. We are fully enrolled; we have robust application pools; our 8th graders continue to matriculate to the finest schools in the area. All of this means our finances are sound so that we are able to pay our share into the parish cost-sharing plan.

At HTS, there is much to celebrate in our daily work. Through the pandemic, our community has remained united and supportive, our students have continued to grow and learn, and our teachers have been exemplary leaders, educators, and role models. We have instituted a new reading curriculum, updated our Spanish program, introduced a Wellness class to process our feelings after coming through the pandemic (Cura Personalis in action), and added more time in our schedule for mathematics. In fact, our current 8th graders had the highest average High School Placement Test scores we have seen in six years. We even compost our lunch leftovers and utensils!

More importantly, our students continue to develop as Young People for Others. Many of our service initiatives are started and led by our students, such as aid to children in Ukraine, a drive for feminine hygiene products, and, of course, every Wednesday, sandwiches for the McKenna Center. Our students seek to serve others in the way that they can best—whether that be our kindergarten class creating Thanksgiving centerpieces for SOME or our 6th graders supporting the parish refugee program through a bake sale this past Fall. Instilling the importance of social justice for our students remains a priority from PreK through 8th grade.

Finally, and most importantly, the Good News, the Gospel, is not only present in the education at HTS, it is at the core of what we do. Our daily prayers and our daily Examen remind us that Love Matters Most and that God loves us all just as we are. Our students not only grow in faith, they do it through the lens of Ignatian Spirituality.

This week and every week, we celebrate our community, being part of the mission of this parish, our terrific students, our supportive and engaged parents, and our world class educators.

Ad Majorem Dei Gloriam!

And when can our faith elevate our problem solving or our uniting?

Through this series of moderated Q&As, we will explore the opportunities and challenges of being a female professional Catholic in today's world. The first four presentations will be held at 5:30pm over Zoom. Register on the website.

Laudato: “DO!”

A big challenge in caring for creation is reducing greenhouse gas (GHG) emissions. Methane is a powerful greenhouse gas that often leaks into the atmosphere. It is a significant contributor to global warming. Sources include oil and gas mining, landfills, agriculture and even leaks in the pipes that bring natural gas (methane) into our homes for fuel. When natural gas is burned for fuel it creates CO₂, which is also a GHG. In our homes, it can create air quality issues as well. Electrification of space and water heating, as well as cooking appliances, is an enormous opportunity to cut greenhouse gas pollution and save money on energy bills. Electric heat pumps heat homes and water far more efficiently than fossil-fuel appliances. Induction stoves and cooktops are also more energy efficient than their gas counterparts. Where possible, as your natural gas-powered appliances reach the end of their life, investigate converting to newer electric appliances for a more sustainable future. This website is a valuable source of information on these options: www.rewiringamerica.org/electrify-home-guide

I especially appreciated doing this in the context of Ignatian spirituality.” –Retreatant, Lent 2022

Small groups (6-8 individuals) will meet weekly on Zoom for 90 minutes to share the fruits of their prayer. Register: trinity.org/ignatianspirituality/setting-captives-free. Questions? Thank You to everyone who offered a 2023 pledge!

Pledges represent an intention to give that can be changed at any time as your financial circumstances may change. Pragmatically, they help greatly with our budgeting process, while spiritually they demonstrate faith in God and a commitment to the mission of Jesus as lived out through our common life. Pledges are acts of stewardship over the resources and blessings God has entrusted to us.

One of the most cost efficient and helpful ways to pay your pledge is by setting up a recurring checking account (ACH) or credit card payment. ACH payments have smaller fees than cards, yet both cost us less to process than paper checks. They also assure us of regular income during all seasons of the year, and allow you to never worry about missing a pledge payment due to a forgotten checkbook or travel or a missed Mass.

If you made a pledge but have not decided on a payment method, please consider setting up a recurring payment schedule at trinity.org > Give > then click the button labeled "Make a 2023 Pledge/Set Up Recurring Payments". Go to the desired Pledge Fund payment form and be sure to click the "Make this gift recurring" box when you enter the amount of each payment you'd like to make (for example, \$100 on a \$1200 annual pledge, given monthly). You can set up payments for an existing pledge. You can also just scan this QR code. Questions? Call Rock at 301-455-5437.

If you have not yet had a chance to pledge for 2023, join the hundreds who have made this intention to support Jesus' work among and through us – you can set up a new pledge and payment schedule using the same QR Code. Thank you!

LGBTQIA+ MINISTRY
