Accompany One Another in Christ: Our Baltimore Story

By Andrew Christian, 11th grade student and
Holy Trinity parishioner

The last plate was handed out, and the line for food was no more. Everyone was fed. My companions and I all let out a sigh of relief. After preparing, delivering, and serving tacos for 50 veterans at Baltimore Station, it had been a stressful first morning of our week-long service trip. However, witnessing the joy in their eyes and the gratitude in their words made our efforts feel acknowledged. It felt as though God was cheering us on as my companions and I all grinned at each other.

God exists in all things and as Catholics, it is our calling to seek Him out. This is the message of the Ignatian spirituality, the message by which Holy Trinity Church lives. My name is Andrew Christian and like the rest of my four service companions, we are all ordinary teenagers. Nevertheless, we are devoted members of this community and Church. Now on our second trip to Baltimore since last summer, we have grown closer together. We've shared past experiences together and hope to create new ones that will stay with us forever.

During our time in Baltimore, we visited a variety of sites that

housed God's presence. These included homeless shelters, a school for children with behavioral challenges, a clothing drive, and even a farm. For example, at the Immigration Outreach Center, we were told so many inspiring tales of people who desired a better life after suffering persecution and violence in their home countries. God wanted us to carry on their stories so that we may help people like them in the future. In our service that involved manual labor, such as sorting clothes and farmwork, we didn't directly help people in need. However, in seeking God out through behind-the-scenes work, we learned an important lesson: that indirect service is just as important as direct service. Even if people don't see our faces, our hard work provides them with the essentials they need to live.

Our Baltimore Story *continued from page 1*

After this wonderful week, my friends and I truly learned what it meant to be disciples of Jesus. While only together for six days, our relationship felt concrete, as if we were family. It's no surprise as we're all children of God and for a week we lived in harmony with his teachings and principles. Aside from our service work, we spent time together exploring the city and learning more about each other. This included trips to the gym, a local ice cream shop, Camden Yards, and more. In addition, before we slept, we would conduct a reflection in which we'd share a gift and/or challenge of the day. Our reflection also included writing the names of individuals we met on poster paper. This paper was hung up for the entirety of the week so we could remember and pray for those people at any time.

All in all, this week has been the highlight of my year and I call any youth who are interested to participate. However, don't wait until next year to start serving; You can start right now! There are numerous opportunities to serve anytime and anywhere in the DMV at your disposal. Holy Trinity alone sponsors many opportunities, including the Saturday Suppers at Mt. Zion United Methodist Church, Sunday Suppers on our campus, and collections for SOME, Christhouse and Georgetown Ministry Center monthly. Check out the Youth Ministry web page (<https://trinity.org/youth/>) for information on all these opportunities and more. Listen to God's calling and help serve your community today. ✝

Prefer to Give by Check? Think Checks Avoid Credit Card Fees? Read On!

It actually costs us more to process a paper check than any electronic donation. Checks (and cash) must be manually handled by staff (three at least: the mail sorter/gift logger, then Finance for the Deposit, then Development to make sure the deposit is credited to a donor record). Then these paper transactions must be reconciled by hand between Development and Finance (this is done automatically with electronic gifts). There is also no way to make an error with an electronic donation so long as the correct donation form is used and the payment is set-up according to the donor's intent. But all these manual transactions for checks make for multiple opportunities for errors, including checks lost or damaged in the mail, bounced checks, illegible checks, incorrectly labeled or unlabeled checks, and incorrectly posted checks, all of which must be dealt with manually and some of which take a great deal of time to fix. Also, electronic donations are processed in near real time whereas the checks are a month behind, due to all this manual handling, which delays record keeping and reporting. So checks actually cost us much more in time and expense - and that's not counting the price of the donation envelopes we send for checks/cash, which is around \$1,500 per quarter. Want to switch from checks? Go to [Trinity.org](https://www.trinity.org) > Give > click the long bar on the R which says, "Make a 2023 Pledge Payment/Set Up Recurring Payments". Questions? Contact Rock Schuler, Director of Stewardship, at 301-455-5437 or rschuler@trinity.org. Thank you!

FAITH, URGENCY & ACTION

Climate stories have been dominating the news cycle lately. Record breaking heat waves, droughts, wildfires and related air quality issues are getting progressively worse. Warming average temperatures are contributing to more extreme weather events. As to the root cause of the warming temperatures, Pope Francis reminds us that the scientific consensus is that burning fossil fuels is the primary driver. Our faith calls us to be good stewards of Creation and obligates us to act. God has given us the intelligence to address the problem before irreversible damage is done. Francis, in his World Day of Prayer for the Care of Creation tells us we “must listen to science and institute a rapid and equitable transition to end the era of fossil fuels.” Let us act individually with a sense of urgency to do what we can to mitigate the problem. Let’s also join with larger groups to amplify our power and to influence our representatives, civic and religious leaders to act.

MIGRANT FAMILIA UPDATE

Thank you for your support of our Migrant Familia. Our family members, friends and volunteers gathered last month for our annual pool party at the home of Linda Potter. A special thank you to our friends at Georgetown Prep for the lifeguarding. It is wonderful to see the children and adults thriving! We are preparing to welcome a new member into our familia- Miguel Flores. Miguel is a student from Nicaragua whom we met through our work with the “222 Nicaraguans.” With the addition of Miguel, our familia grows to 24 families/individuals from 11 countries. Join in accompaniment:

- * We provide supplemental food support to seven families (18 children) each week. Donate grocery gift cards in the collection basket.

- * Are you hiring? Edras Bernard (MD) has received his work permit and is interested in opportunities in construction; Kateryna Sorokolit (VA) has been working part-time with the Holy Trinity IT team this summer. She is interested in full-time positions that utilize her tech skills and/or hospitality experience.

- * Volunteer. We need employment mentors, English language conversationalists, pro bono legal assistance, and drivers.

- * Donate to the Migrant Fund. Funds are used to assist with housing until work permits are received and secure employment is achieved, pay for lawyers when pro bono resources are not available (a discounted asylum case averages \$12,000), provide access to classes at the Washington English Center, and supplement medical care, primarily mental health support due to trauma.

Please email migrantteam@trinity.org for more information.

2024 IMMERSION EXPERIENCES

The Social Justice Ministry invites you to consider three opportunities to put your faith into action in 2024:

Pilgrimage to Alabama

January 5-7, 2024 (Parish Coordinator: Ashley Klick)

Since 2020, Holy Trinity parishioners have been exploring the role of slavery, segregation, and race in Holy Trinity's history. Some have been called to gather in racial justice circles to discuss racial healing. Holy Trinity is partnering with Catholic Mobilizing Network to offer this 3-day pilgrimage to Montgomery & Selma. We hope to provide participants the opportunity to further personal formation and to deepen a faith rooted in justice.

Immersion Experience with Maria Madre de los Pobres | January 24-31, 2024 (Parish Coordinator: Margie Legowski)

The primary purpose of this trip is to better understand the reality of life for our brothers and sisters at our sister parish in La Chacra, San Salvador, El Salvador.

Immersion Experience at the Arizona Border

April 5-9, 2024 (Parish Coordinators: Eric Nicoll & Paul Wolfeich)

The Kino Border Initiative has been offering eye-opening, informative, reflective Immersion Experiences. Immersion Experiences allow participants to cross the border to Nogales, Sonora to meet with migrants and asylum seekers, tour our resource center, accompany the Kino team in providing humanitarian services, as well as hike in the desert, converse with ranchers in a rural town in southern Arizona, visit organizations in Tucson, and reflect on legal issues and the immigration system. Immersion Experiences are intended to humanize the immigration issue and to recognize its complexity, while emphasizing accompaniment of migrants on their journey. Over the course of the experience, there are spaces for reflection on the experiences and times to plan follow-up activities and action.

For more information about these opportunities, please email aklick@trinity.org.

CELEBRATE A CATHOLIC WOMAN IN YOUR LIFE

Members of the Women Who Stay community are making plans to join the Discerning Deacons celebration of St. Phoebe in September. We plan to lift up St. Phoebe on or near the day she is commemorated, September 3, pray for the universal church during the Global Synod as we discern about women's participation, celebrate the voices and gifts of women leaders in our communities, and walk with the universal church for the remainder of the Global Synod in prayer, learning, and witness. As part of our celebration, we are inviting parishioners to share a story of a Catholic woman that has made a profound impact on their faith and how they live it out. Tell us your inspiring story, and it could be printed in a September bulletin or posted on our social media. Email your story (200 words please!) to aklick@trinity.org

CAMP TRINITY SAVE THE DATE!
